--

With reference to your letter No 158/51-2 dated 15/18th Jan 1952 on the above subject I am directed to state that Government of India Rate Contract is applicable only to Government Departments in all states as may be seen from the list of Direct Demanding Officers

I am also to invite your kind reference to Ch II Rule 5 of the Stores Purchase Committee Manual which read "As the Municipal and Local Boards are autonomous bodies with statutory powers of their own, the rules regulating the purchase of stores by the Government Departments through the Stores Purchase Committee will not be applicable to such local bodies In the case of improvement works in the areas within the jurisdiction of such local bodies, such as water supply and drainage schemes, railway projects etc , execution of which is entrusted to the Government Departments, the materials required for such works may be obtained through the Stores Purchase Committee in accordance with the rules applicable to Government Departments In respect of other purchases the local bodies concerned may make their own arrangements, though the advice or help of the Stores Purchase Committee will be readily made available to any local body that may require it " We cannot therefore force the Companies to give Tyres ~~and Tubes~~ or Tubes at the rates mentioned in the rate contract as the terms of the contract do not contemplate our doing so
